RE: Public Records Request dated December 30, 2020

Dear Mr. McMillan:

The County of San Bernardino ("County") received your request for records and/or information pursuant to the California Public Records Act (PRA) dated December 30, 2020. The request is for the following records identified in *italics*:

- 1. Provide those documents identifying, by date, time and means, all synchronization transmissions between the California Secretary of State and the county Registrar [sic] of Voters.*
- 2. Provide those documents with the results of each synchronization transmission between the California Secretary of State and the county Registrar [sic] of Voters, by number of registrants confirmed as valid, and those that are identified as invalid.*
- 3. Provide those documents which reflect notifications from the Secretary of State requesting or directing modifications to a voter's registration record between September 1, 2020 and November 15, 2020.*
- 4. Provide those documents that reflect, in summary form, the modifications to the voter registration record, by date, time, and by any unique voter registration number or name of voter, for those records modified between September 1, 2020 and November 15, 2020.*
- 5. Provide those documents identifying where, by geographic location, ballots were counted in the County between October 15, 2020, through November 30, 2020.*
- 6. Provide those documents, i.e., logs, narratives of inspection, created between September 1, 2020 and November 15, 2020 reflecting "Active management (inventory, tracking, and correction) of all software on the network so that only authorized software is installed and can execute" took place in compliance with 2 CCR§ 19064(c)(2).*
- 7. Provide those documents, i.e., logs, narratives of inspection, created between September 1, 2020 and November 15, 2020 reflecting "active management (tracking, reporting, and correction) of the security configuration of laptops, servers, and workstations in order to prevent attackers from exploiting vulnerable services and settings" took place in compliance with 2 CCR§ 19064(c)(3).*

8. Provide those documents, i.e., logs, narratives of inspection, created between September 1, 2020 and November 15, 2020 reflecting "Active management (tracking, control, and correction) of the ongoing operational use of ports, protocols, and services on networked devices in order to minimize vulnerabilities available for attack" took place in compliance with 2 CCR§ 19064(c)(9).

9. Provide the log files for all data traffic, including connection requests accepted and refused, between the county's election information file and any other location between September 1, 2020 and November 15, 2020.

10. Provide those documents, i.e., logs, narratives of inspection, created between September 1, 2020 and November 15, 2020 reflecting "Tracking, controlling, preventing, and correcting the security use of wireless local area networks, access points, and wireless client systems" which took place in compliance with 2 CCR§ 19064(c)(15).

11. Provide those documents, i.e., logs, narratives of inspection, created between September 1, 2020 and November 15, 2020 reflecting the inventory and identification of all wireless connections in the County's ballot processing location.

12. Provide those documents, i.e., logs, narratives of inspection, created between September 1, 2020 and November 15, 2020 reflecting the inventory and identification of all wireless-capable devices in the County's ballot processing location.

13. Provide those documents, identifying by serial number, MAC address, device, and location, and the custodian of, all wireless-capable devices in the County's ballot processing location between November 2, 2020 and November 13, 2020.

14. Provide those documents, reflecting any incident response infrastructure (e.g., plans, defined roles, training, communications, and management oversight) operational prior to October 15, 2020, which took place in compliance with 2 CCR § 19064(c)(l 9).

15. Provide those documents, reflecting training on any incident response infrastructure (e.g., plans, defined roles, training, communications, and management oversight) prior to October 15, 2020.

16. Provide those documents, reflecting roles on any incident response infrastructure (e.g., plans, defined roles, training, communications, and management oversight) prior to October 15, 2020.

County staff is in the process of searching to determine if there are any records responsive to your request.

Please note that due to orders of the Governor suspending non-essential operations and ordering workers to remain in their homes, the County has limited staff available to respond to Public Records Act requests. Thus, although the County will make every reasonable effort to respond to Public Records Act requests as soon as possible, the County may require a reasonable amount of additional time to fulfill Public Records Act requests under the current circumstances. The County currently expects to provide an additional response to this request by approximately January 23, 2021.

If there are records responsive to your request, please be aware that, depending on the nature of the records and/or information sought, some or all of the records may contain information that is exempt from disclosure under one or more subdivision of Government Code section 6254, or under Government Code section 6255, or pursuant to some other exemption or privilege. If only

a portion of a requested record is exempt from disclosure, the record will be provided for your inspection or copying with the exempt information redacted.

If you have requested copies of records, generally the cost of each 8½ x 11 inch black and white copy is 10 cents per page side. Larger formatted copies, color copies, and other special copies will cost more per page. If you have requested records or information in electronic format, we will be in further contact with you about whether this is possible and whether there are any associated costs.

Very truly yours,
