Christina,

I just downloaded the files and noticed that they are all in text format. They are not the audio wave files. Can you please send me the wave files?

Regards,

Rakhi,

The corrected audio files have been uploaded to the Dominion ftp site in a folder named SwiftTalker Updates - English&Spanish - 2019-09-03 under the 2019-11-05_Election folder.

Please make the corrections to the ICX audio short names using the contest name/header (as we discussed).

The mail ballot precinct list is attached. We need to discuss how we will be triggering the x of y, as decisions here are not final.

Thank you,

Christina Anderson
