Re: General Election, November 3, 2020  
Demand for Inspection or Production of Public Records  
Numbers 1-63

Dear Mr. McMillan:

Pursuant to California Government Code section 6253, I am writing in response to your Public Records Act ("PRA") request to Keith Williams, Registrar of Voters for Mariposa County, dated January 28, 2021 and received via email on that date. I am submitting this letter within the ten day period for response set out in Government Code section 6253(c).

Pursuant to Government Code section 6253(c)(2), this is to notify you that there are unusual circumstances warranting an extension of time to determine whether your request, in whole or in part, seeks copies of disclosable public records in the possession of the County. This extension is based on the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records. We will provide our determination to you on or before February 18, 2021.

If you have any questions pending receipt of our determination, please contact me.

Very truly yours,

A handwritten signature in black ink that reads "Steven W. Dahlem". The signature is written in a cursive style with a large initial "S".
